

The Cloud Burger 4-1

The Cloud is unparalleled in the industry for its natural appearance, juiciness, flavor and texture equaled only by hand compressed burgers.

- Free form shape gives hand made patty appearance with soft texture and maximum tenderness
- 100% Domestic Top Quality Beef used to make the cloud chopped beef steak ensures great flavor and juiciness
- IQF (Individually quick frozen) process locks in freshness and helps retain juiciness.
- Gets thicker and plumper as it cooks.
