Product Benefits

Home made appearance; Gourmet chili; Phenomenal name recognition; Hearty chunks of Beef

Preparation

Let the chili thaw under refrigeration approximately 36 to 48 hours. Then place the chili in a warming unit (crock pot, steam table, etc.) and heat the contents to 165 degrees throughout for four minutes. Periodically stir the chili to dissipate fats and oils. Then reduce to normal serving temp.

Serve with crackers or with cheese sprinkled on top
