*Serving
Suggestions:*

Great for dessert bars

Storage/Shelf Life

Refrigerated: 3 days covered

Frozen: 270 days

Packaging Qty

4, 10 lb

Piece Count

40 servings per container

Product Benefits

- Specially formulated to be very consistent and stable, plates well and holds for hours without weeping, wicking, or separating
- Consistent thaw-and-serve convenience reduces labor costs, quality issues and waste
- Convenient plastic dome packaging protects during delivery and serves as an ideal cover after opening

Preparation

THAWING DIRECTIONS WHOLE PIE

1. Thaw with dome cover in refrigerator about 12 hours or overnight.
2. For a clean cut, dip knife in warm water and wipe clean after each cut.
3. Serve immediately or refrigerate.
4. Return thawed, unused portions to refrigerator; keep covered.

THAWING DIRECTIONS PLATED SLICES

Thaw in refrigerator 4 - 5 hours.
