Product Benefits

Classic, Unique, Great Taste of High Quality Artisan Baking

Preparation

Bake - Par-Baked breads should be baked in a convection oven between 400° - 425° F for 3-10 minutes, depending on size and desired color. Full-Baked breads can be heated in a convection oven between 400° -425° F for 3-5 minutes, or we recommend heating (toasting) for optimal flavor and texture.
