21-25 per container

Product Benefits

Shrimp contain high levels of two extremely important nutrients that are often hard to get enough of in your diet- Selenium and Vitamin D. Selenium has been found to help fight cancer, and it helps to boost your energy. Selenium has also been shown to be effective in treating the symptoms of psoriasis, which is an often hard to treat condition.

Preparation

Follow cooking and thawing instructions according to package

*Serving
Suggestions:*

Perfect for salads. Or tossed with pasta
