Product Benefits

Cattlemen's is the #1 selling barbecue sauce in Foodservice and is made just for Foodservice. Cattlemen's is made with premium spice blends and a high percentage of tomato solids, creating a consistently thick, rich sauce. Cattlemen's Hot & Spicy has a unique flavor that provides heat, but does not overpower its carrier.

Preparation

Ready to eat

It is an ideal base for signature BBQ sauces and a versatile recipe ingredient, or can be used as a fully finished BBQ sauce.
