Product Benefits

Melamine is what makes the finish on this Carlisle ramekin glossy and smooth and heat resistant! The ramekin dinnerware serving dish has been used by professional cooks for thousands of years. The 085202 ramekin is only 2.62 inches wide. It has the perfect 2 OZ capacity for serving salsa, meat sauces, honey butter, and creme brulee. Whatever gourmet condiment your customer asks for, this small white fluted ramekin provides the perfect serving container. Include Carlisle's 085202 white melamine ramekin when purchasing food service equipment and restaurant supplies at great prices online from Standard Restaurant Supply. Best in service and selection!

Usage Suggestions:

Its versatility includes bakery dish ovenware, side dish kitchenware, and a display for serving sauce or butter to the side.
