

Freezer Cleaner

PRODUCT DESCRIPTION

This concentrated freezer and locker cleaner provides effective cleaning at temperatures as low as -45 F. Its high level of anti-freezing agents combine with an alkali source, low foaming detergent and a rinse enhancer to deliver quick, thorough cleaning and excellent removal characteristics. It is manufactured using high quality pharmaceutical grade anti-freezing agents. Not the toxic type typically associated with automotive antifreeze compounds.

Packaging Qty

4, 1 gallon

Piece Count

4 gallons per case

Product Benefits

- Concentrated
- Non-Freezing to -45 F
- Low Foam
- Fast Acting
- Pharmaceutical Grade Anti-Freezing Agents

KEEP OUT OF REACH OF CHILDREN

CAUTION: May cause skin or eye irritation or burns. Avoid contact with product. Do not take internally. In case of contact with skin or eyes, flush with plenty of water and seek medical attention if irritation persists. If swallowed drink milk or water and seek medical attention. Do not induce vomiting.

Usage

Suggestions:

Use in an automatic scrubber or manually with deck brush or mop according to the chart below. Actual conditions such as type and amount of soils present may require more or less product use. Remove from surface by wiping with absorbent material. If used on food contact surfaces in non-freezing conditions, rinse surfaces with potable water before reuse
