

# Dilgard Meat

## Pre-CKD Sausage Patty 2z

**Dilgard #**  
**M06776 FROZEN**

### PRODUCT INFORMATION

Fully cooked items meeting this description are processed from pork sausage materials described in item descriptions 802 and 802A. The cooked product may be in bulk, link, patty or crumble form as specified by the purchaser. In the case of cooked patties the specified diameter sizes stated in Item 802A do not apply but the product dimensions are required to be uniform in thickness and diameter. A cooked item type produced under this IMPS designation shall be purchased as Pork Sausage, Cooked, Patties (or Crumbles, Links, etc., as appropriate). The cooked weights of individual patties, the number of links per pound, or the weight of bulk packages shall be specified by the purchaser.
