

Pre-Dip Batter Mix

- >> Use Pre-Dip in place of traditional egg & milk or egg & buttermilk washes
- >> great for hard-to-coat foods
- >> use with Panko bread crumbs or other coarse breadings
- >> uniform coverage resulting in better visual appeal and reduced breading fall-off
- >> easy to use, just add water preparation
- >> up to 35% cost savings versus alternative pre-dips and egg wash
- >> improved food safety all day, no cross-contamination from eggs
