

Fancy Whole Kernel Golden Corn

Golden corn - it's as American as apple pie and even more popular. Whether it's the sweet, crisp, tender taste of our bright yellow Whole Kernel varieties or the rich, creamy texture of our Cream Style varieties, we bring you the best of this American favorite. We process and pack premium corn to preserve its naturally sweet flavor and color. We also offer vacuum-packed corn that is processed to retain even more natural nutrition and flavor.
