

# Dilgard Produce

## PRODUCT DESCRIPTION

Kiwi Fruit, Tray Pack  
2DYS

## Pk/Size

1, 33 ct

## ***Dilgard #***

*P99004*

## Kiwi Facts:

Available year-round. Shipped from California November through May. Available from Chile April to July and from New Zealand June through October. Good-quality kiwifruit will be fairly large, smooth skinned and slightly soft to the touch when ripe. Kiwifruit that is very hard to the touch will ripen if left at room temperature. Avoid product that is too small, has wrinkled skin or is overly soft.
